

Register Early

It is helpful to register early so we can tell if there are sufficient numbers to conduct a class. Class sizes are limited. Registration along with payment in full must be received no later than 5 days before the first class due to scheduling. Our classes have limited enrollment and fill quickly, so act now to avoid disappointment. All classes must meet minimum enrollment. A \$20 non-refundable fee is included in tuition. If a student cancels a registration at least ten days before a course begins, a refund will be granted. If a cancellation occurs during the ten-day period, the QAA may provide credit in a future offering. No refund will be allowed after the start of a class.

Confirmation

We do not send written confirmation, but will notify you of any problem with your registration, changes you should know about or cancellations of classes. If a class is canceled, your check will be returned within a week of the cancellation. A teacher who postpones a class due to an emergency will notify students. There will be a make-up date in the event of a weather cancellation or teacher postponement.

Photographs

Occasionally, the QAA will take photos of course participants during classes for our advertising. If you have any objections to the use of photos of you or your child, please notify the QAA office before the course begins
